Important - Please read and retain instructions to ensure safe use and warranty.

200kgs

MAX!
200kgs

CONTENTS

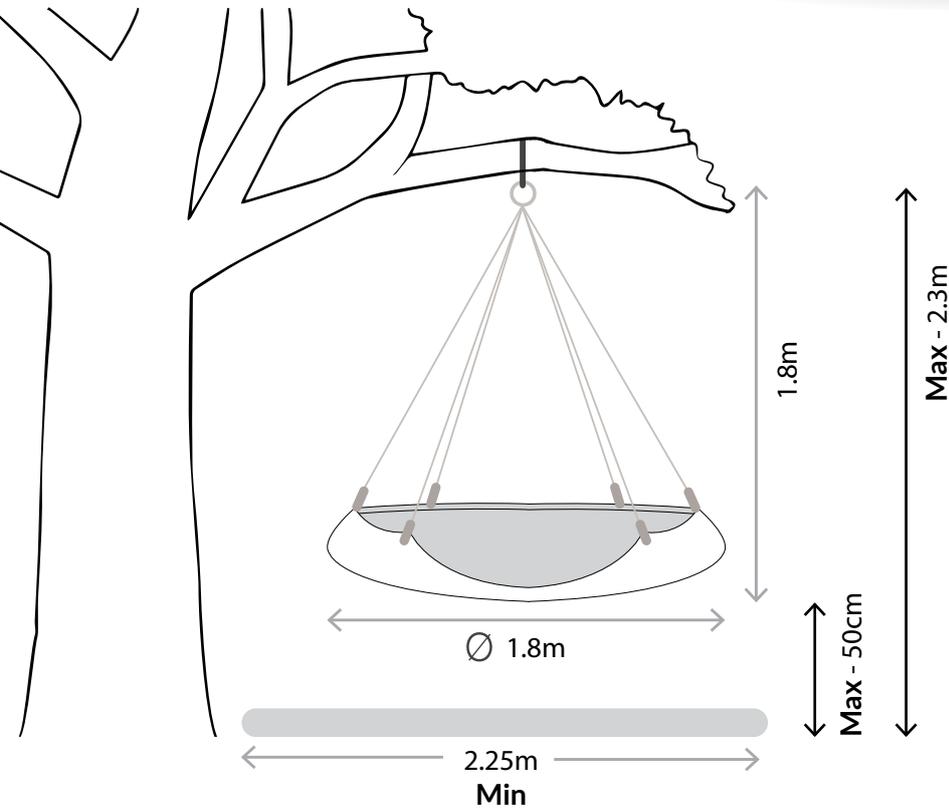

1 x 1.8m Hangout Pod Base

1 x Set of 8 Steel Poles

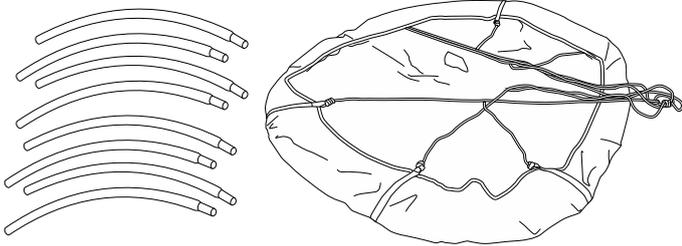

1 x Carry Bag

ASSEMBLY INSTRUCTIONS

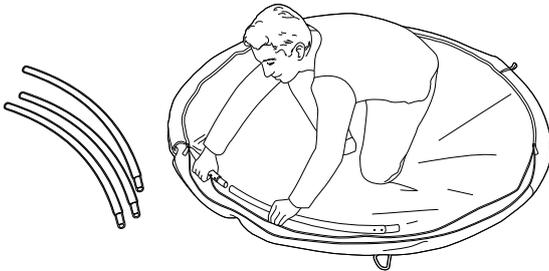

1 Remove contents of carry bag & lay on the floor.

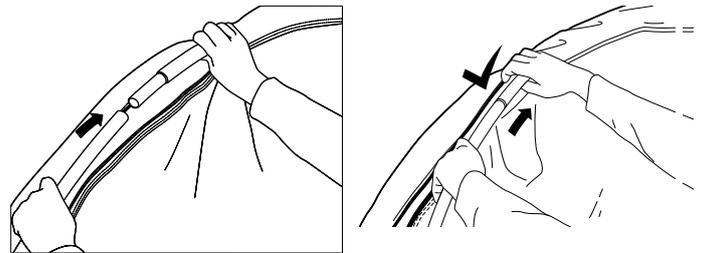

2 Open the Pod, laying it upside down so the zip is on top. Fully open the zipper.

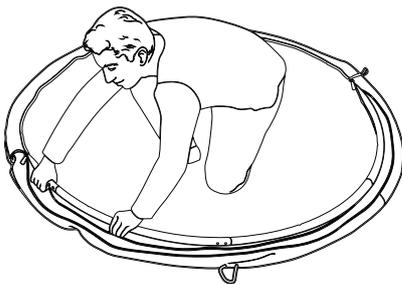

3 Feed poles, one by one, starting via the closed sleeve on the underside of the Pod.

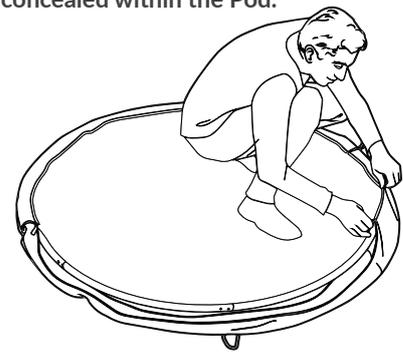

4 Continue inserting each pole together, making sure they are connected firmly.

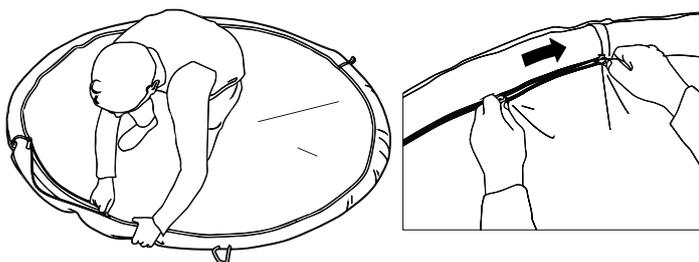

5 Form a solid circle, with 4 poles within the sleeve, and 4 poles outside of the sleeve.

6 Starting at one edge, fasten the zip so all the poles are completely concealed within the Pod.

7 Close the zip entirely.

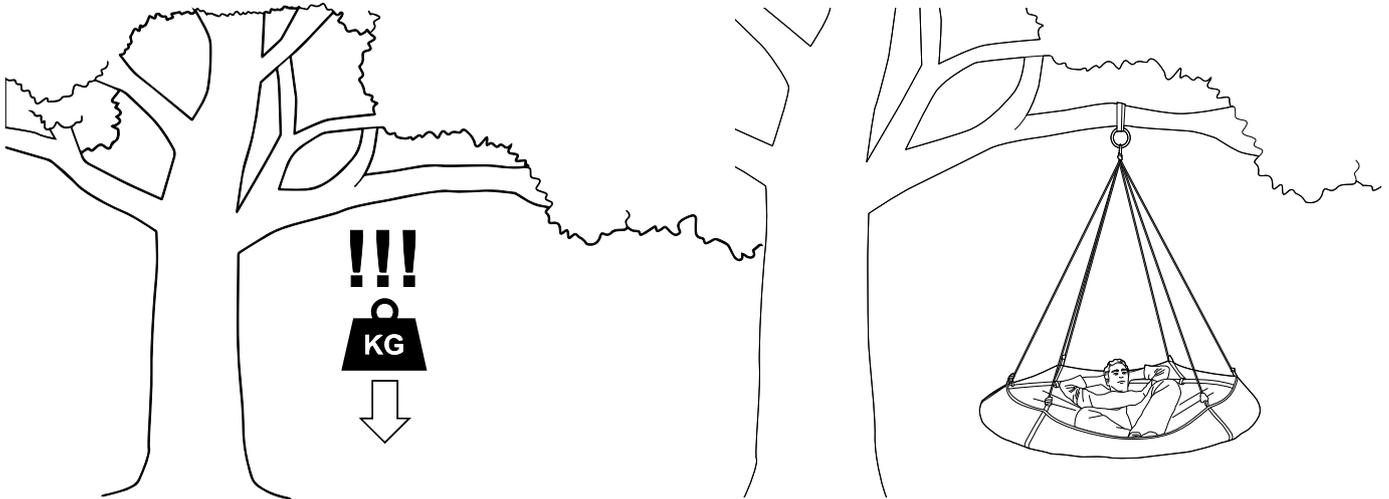

8 Check all ropes are straight & suspend naturally.

ASSEMBLY INSTRUCTIONS

9

Ensure any alternative hanging apparatus and knots are able to support **double the advised limit of 200kgs**

10

To disassemble, simply reverse the assembly steps. Unhook the Pod and lay it with the ropes facing down. Unzip and disconnect the poles, one by one. Always pack the Pod away completely dry.

11

WARNING - Keep fingers and hands entirely clear of the ends of poles whilst connecting and disconnecting together to avoid injury.

SAFETY INSTRUCTIONS

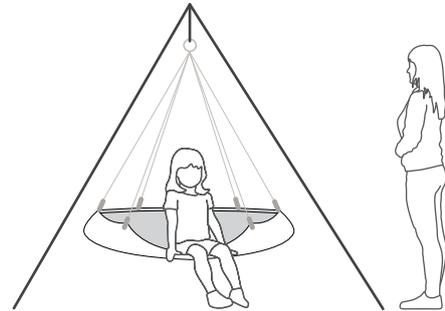

1

For use by children 4+ only, not for use by infants or young children.

2

Never leave a child of any age unattended.

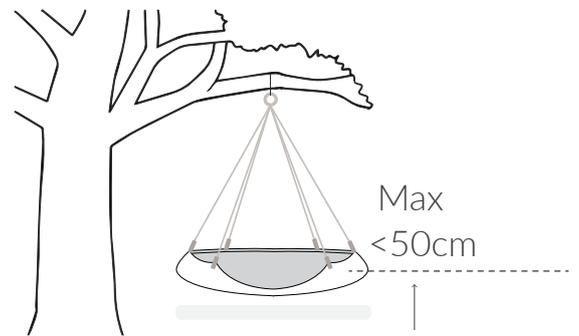

3

Never exceed maximum load limit of 200kgs.

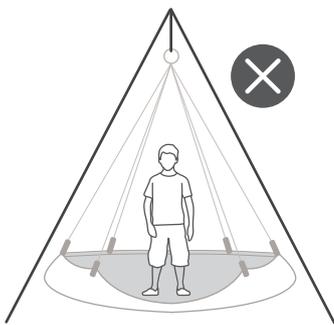

4

Do not hang more than 50cm above the ground.

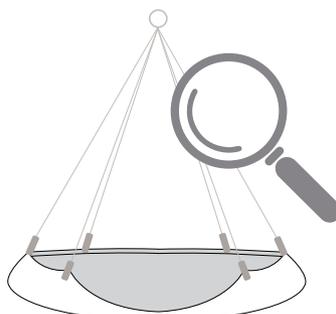

5

Never stand, swing or jump inside as this could cause injury.

6

Always check the ropes, base & hanging apparatus are safe and free from defects before each use.

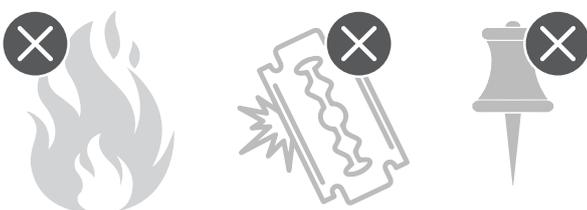

7

Smoking and naked flames of any type is forbidden.

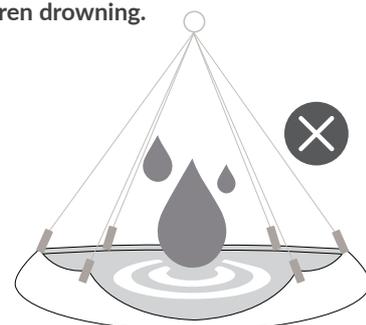

8

Double check that your desired spot is free from unwanted objects, sharp items, flames and obstructions of all kinds.

9

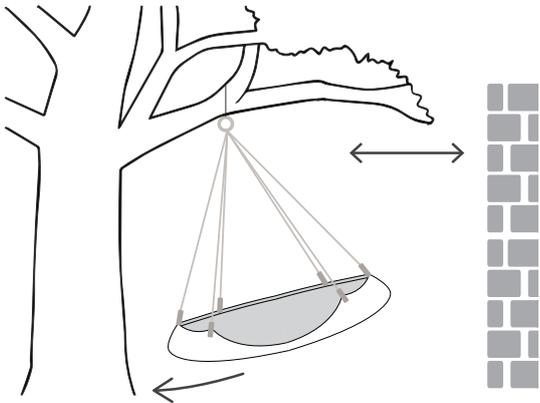

Never allow water to gather in the base- this poses a risk of children drowning.

SAFETY INSTRUCTIONS

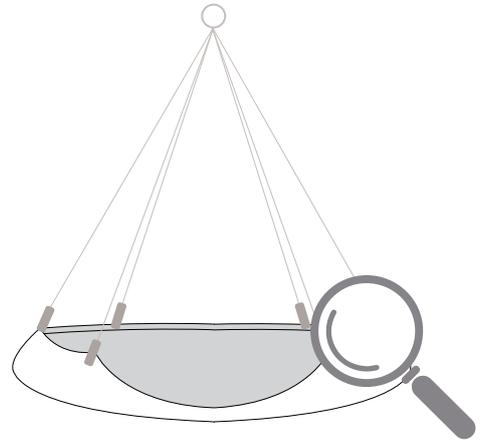

10

Ensure Pod is clear of walls, sharp objects & obstructions. Do not allow the Pod to come into contact with anything that could damage the ring system, fabric or ropes.

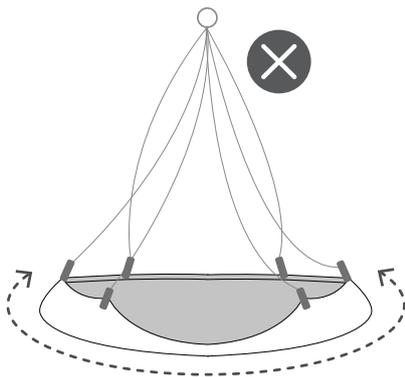

11

Ensure there are no signs of wear & tear before each use, as this could compromise strength.

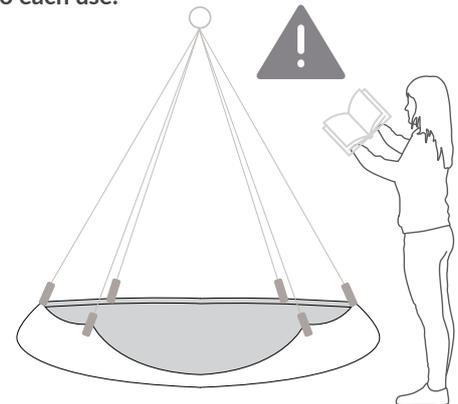

12

Do not allow the suspension ropes to become twisted or intertwined at any time.

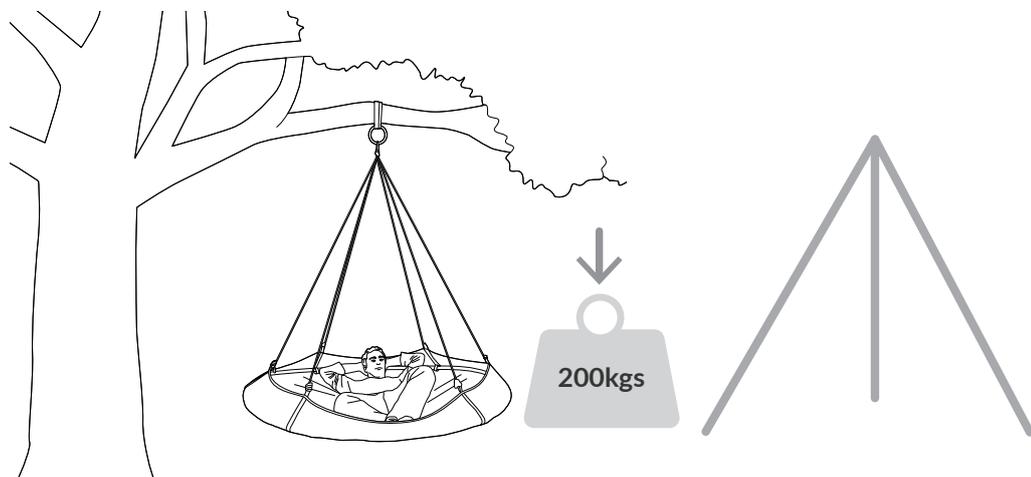

13

Always refer to the 'Hangout Pod Safety & Care' sections prior to each use.

14

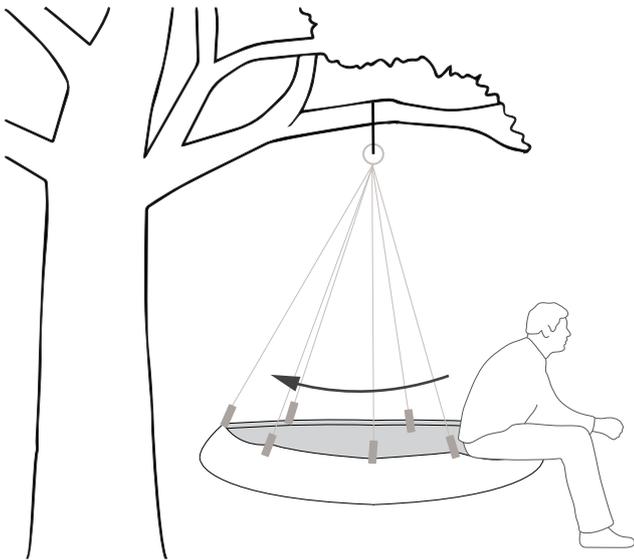

Ensure all hanging structures & knots are strong, without defects and able to bear over 200kgs. Failure to do so could result in serious injury.

SAFETY ADVICE

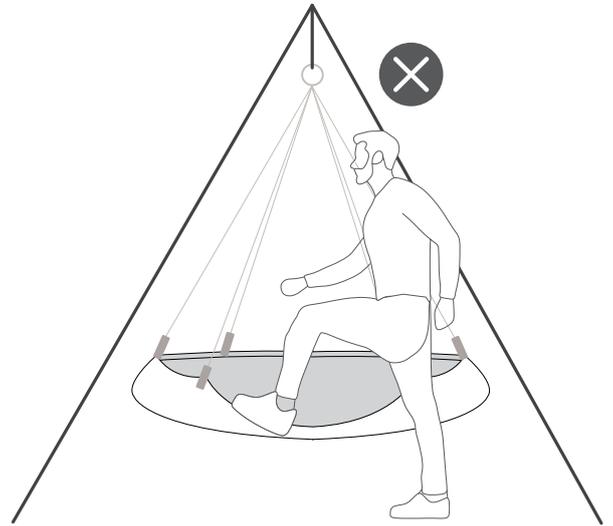

1

Slowly sit, bottom first, facing away from the Pod and gently shuffle back into the Pod.

2

Never dive or climb in one foot at a time.

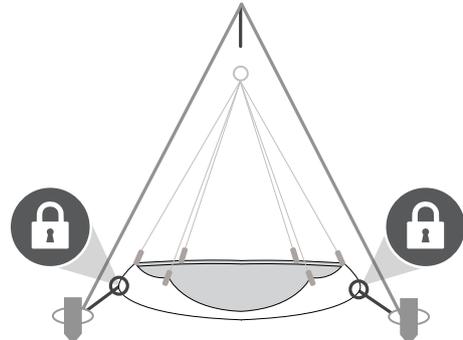

3

To exit, place feet first on the ground and hold onto the suspension ropes for added balance.

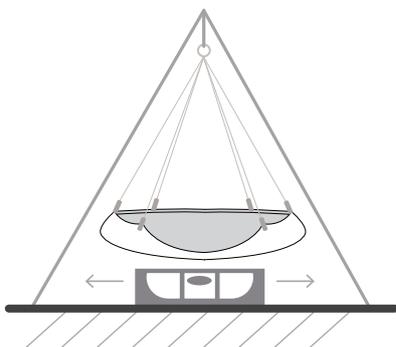

4

Use the 3 harness loops on the Pod base to anchor into a fixed position if required.

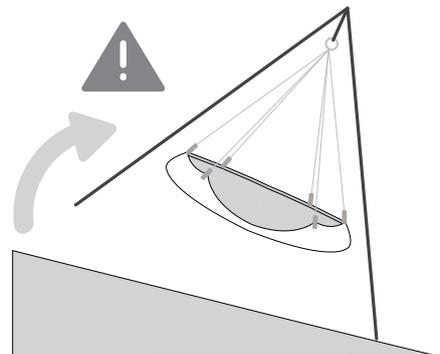

5

If pairing with a Stand, always ensure it is positioned on a flat, firm & horizontal surface.

6

Never use a Stand on a sloping, uneven or soft ground as this can result in serious injury.

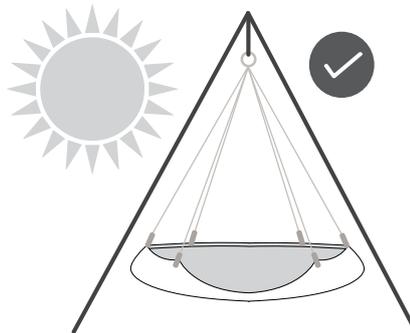

CARE & CLEANING

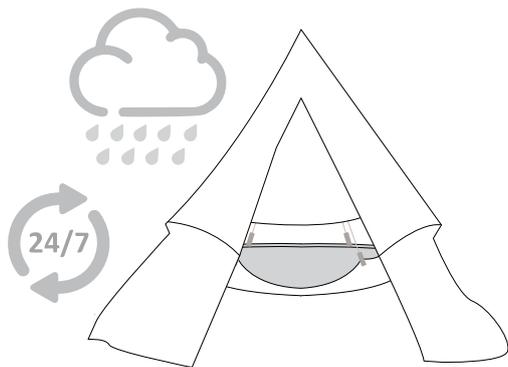

- 1 Not designed to be set up outdoors permanently. Store or pack away when not in use.

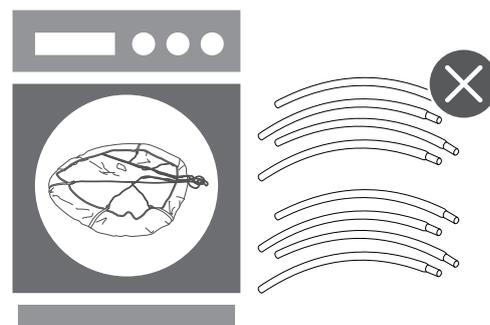

- 2 Recommended for use in fair weather only.

- 3 Ideally pair with protective cover.

- 4 Remove the poles prior to washing.

- 5 Machine washable. Cold wash only on gentle cycle inside a wash bag. Tie ropes together in 1 large knot.

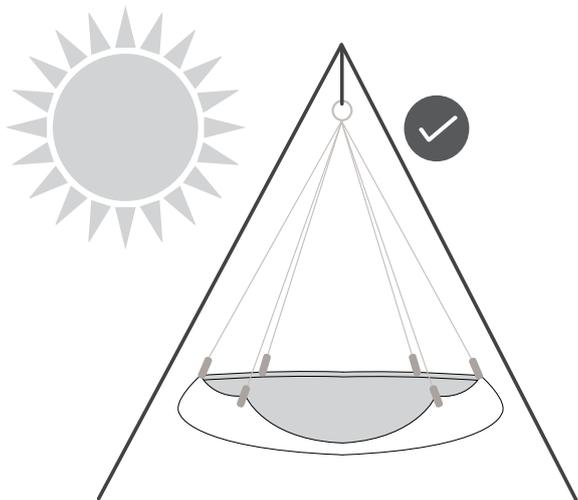

- 6 Do not tumble dry. Do not iron. Do not bleach.

CARE & CLEANING

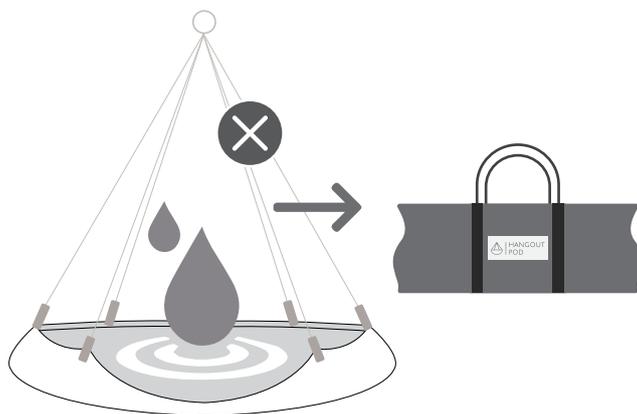

7

Important: Always dry Pod reassembled to prevent deformation.

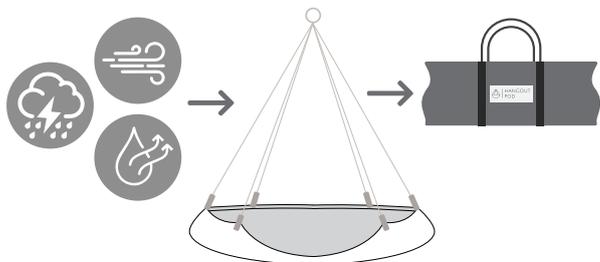

8

Failure to clean, dry and stow away will compromise lifespan & void warranty.

9

Even if paired with the waterproof cover, in inclement weather it is recommended to pack the Pod away, completely dry. Do not leave in direct sunlight or harsh or prolonged weather conditions of any kind.

10

By following these simple care guidelines, you will prolong the lifespan greatly of your Pod.
