

## ASSEMBLY INSTRUCTIONS

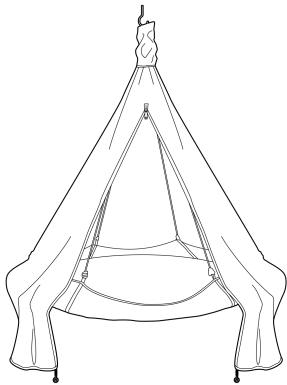

- 1** Open bag from the drawstring opening (not the velcro end), gently pull the cover out.

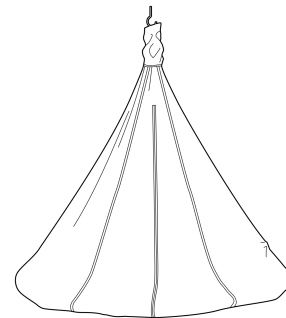

- 2** Feed the metal ring of the Pod through the bottom of the Cover, and through the opening at the top of the built-in bag.

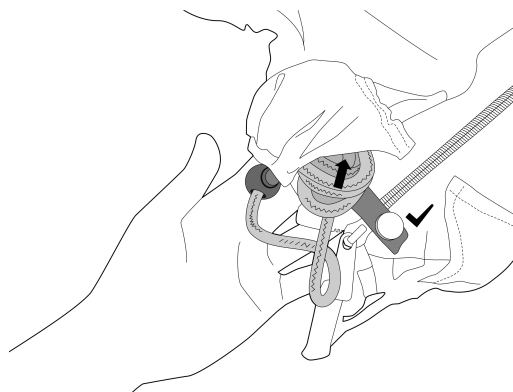

- 3** Hang via exposed metal ring & drape fabric around the Pod.

- 4** Zip closed. Ensure the zip is centrally positioned within the wide entrance of the Pod, and the string-ties inside the Cover align with the Pod ropes.

- 5** Fasten button over zip & pull the drawstrings tight. Store additional rope in the small pockets on either side of zip.
